TRADITIONS

Sevier County High School
1920-1964

First public high school in the county

Principals—12

Alumni—3100

Additions—Gymnasium, cafeteria,
agriculture and band buildings, field
house, and annex

Class of 1922—6

Class of 1964—172

Our county and
our school were
named after John
Sevier, the first

governor of
Tennessee. Since the beginning
of Sevier County High School, certain
symbols have become traditions. Each

represents a mixture of the old and
the new, the oral and the written. By
long and frequent association
these traditions seem
essential to our school.

John Sevier

Yesterday is but a dream
And tomorrow is only a vision
But today well lived
Makes every yesterday a dream of happiness
And every tomorrow a dream of hope.

from—the Sanskrit

PURPLE

AND

WHITE

AND THE

SEVIER COUNTY HIGH SCHOOL

The first graduating class of Sevier County High School, the Class of 1922, unanimously chose PURPLE and WHITE as our school colors.

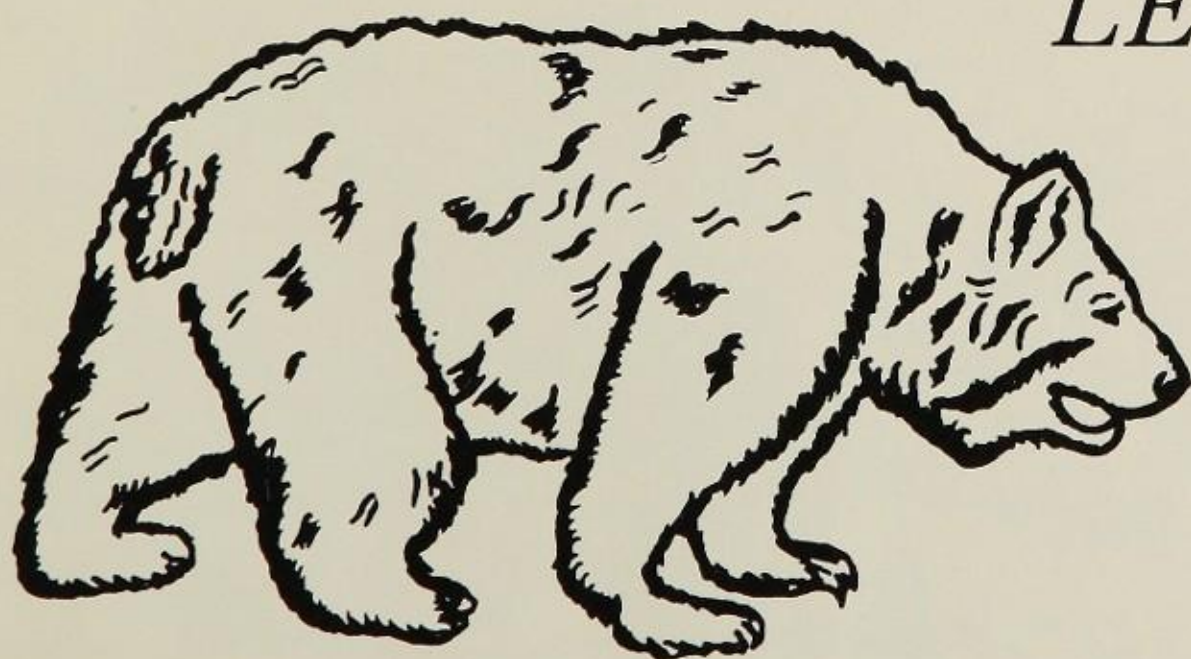

SMOKY BEAR

HAVE

BECOME

SCHOOL

LEGENDS

Our mascot, the SMOKY BEAR, was selected by the faculty in 1949.

Class rings are one of the most valued traditions of any school. In 1947 Mr. Roy Ledwell, the principal, appointed two teachers, Mrs. Roy Brasher and Mrs. Rhea McCall, to help him design a standard CLASS RING. Two years were spent planning this ring. The first class to receive the ring was the Class of 1949. A replica of John Sevier and a scene of the Great Smoky Mountains, both so much a part of Sevier County, were used on the ring.

School

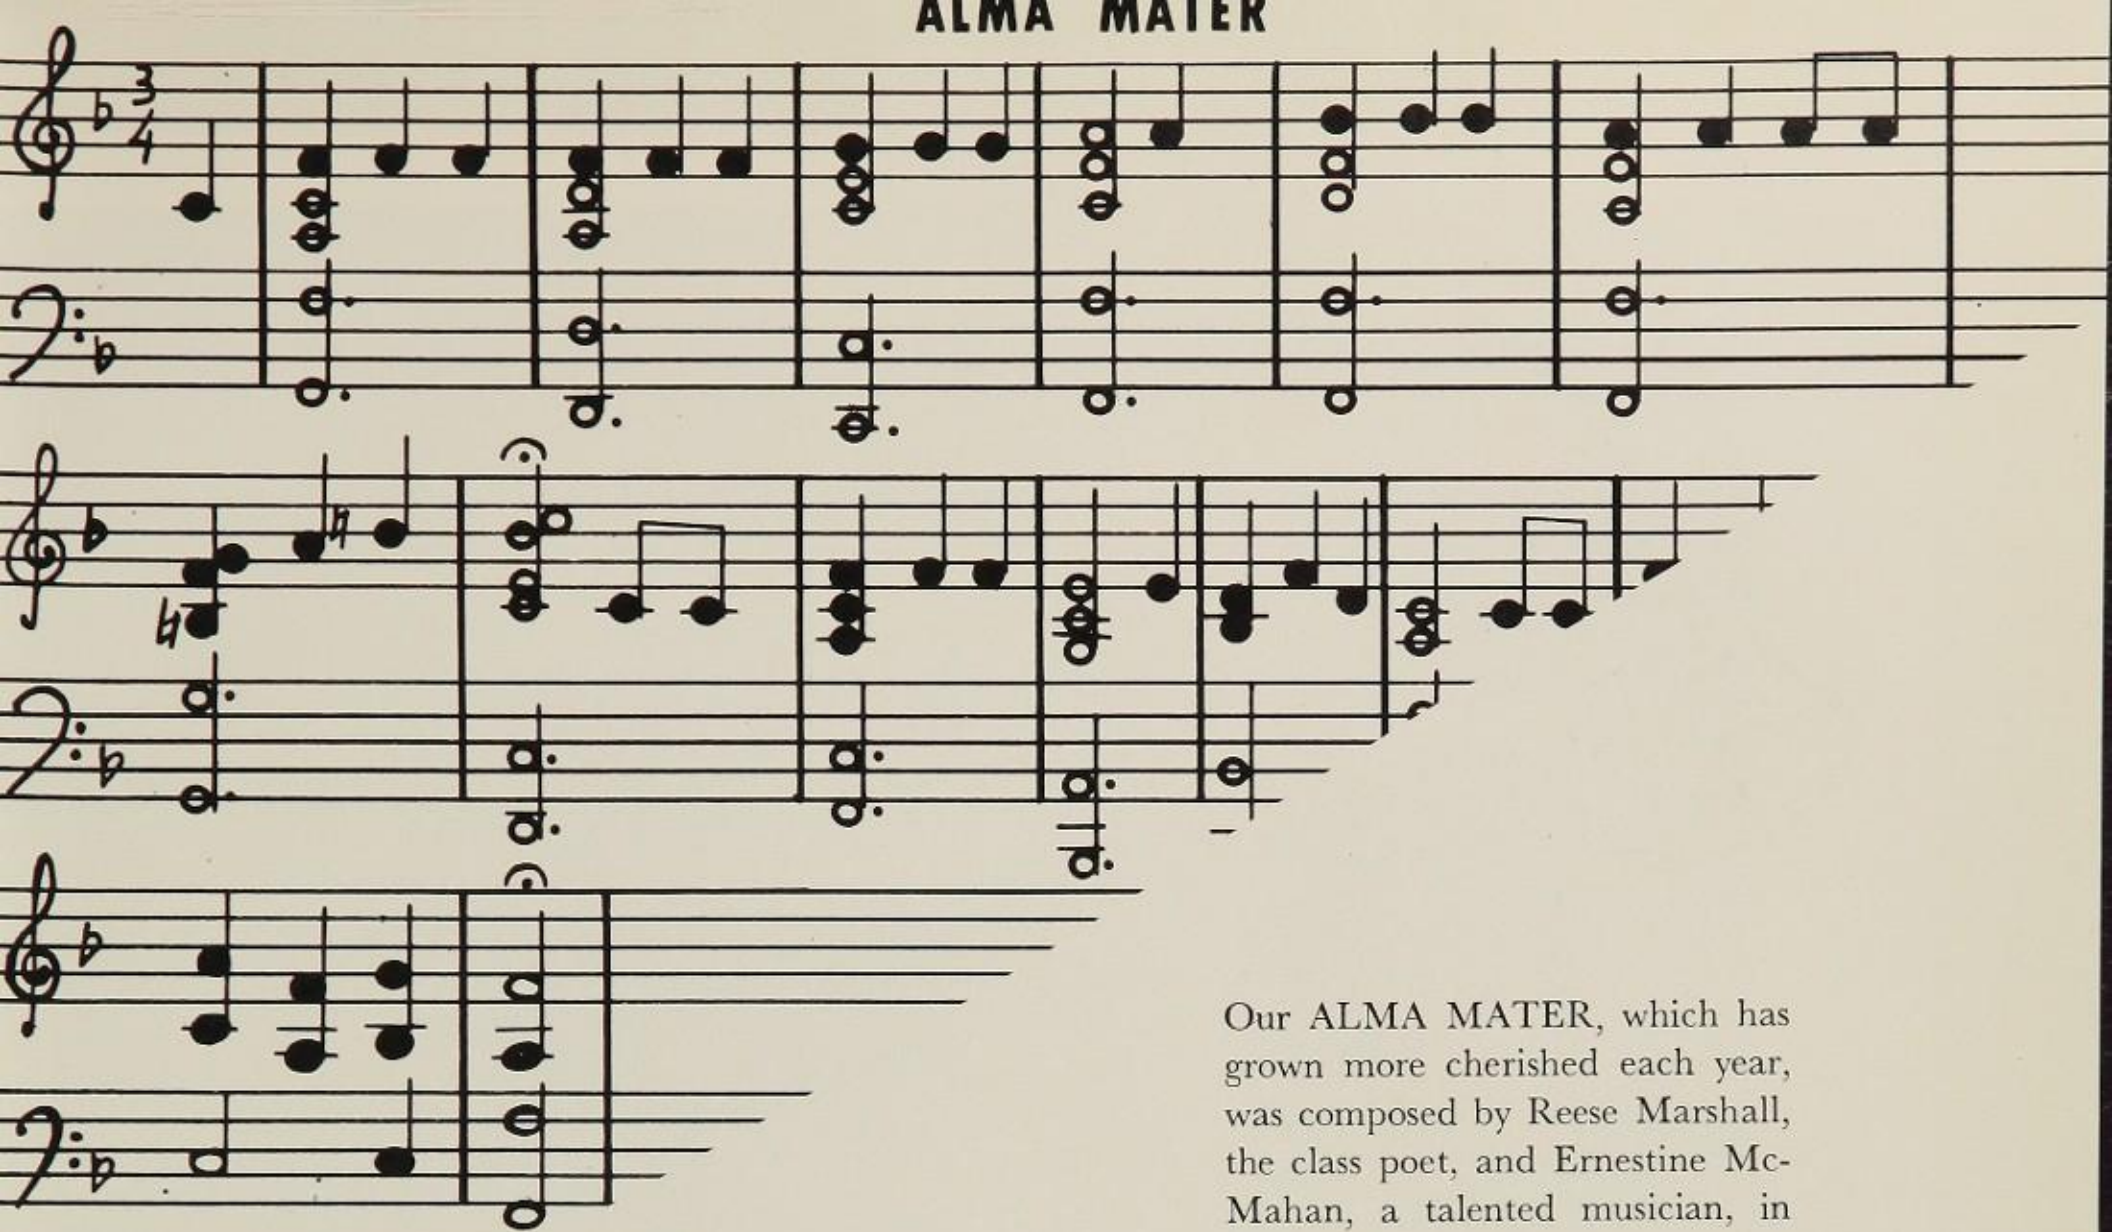

Spirit

Is Expressed

The Sevierian, first published in 1946, has become one of our most treasured traditions. Each year through it a story is told of Sevier County High School—A Story of the traditions that so greatly influence the lives of all who are a part of Sevier County.

ALMA MATER

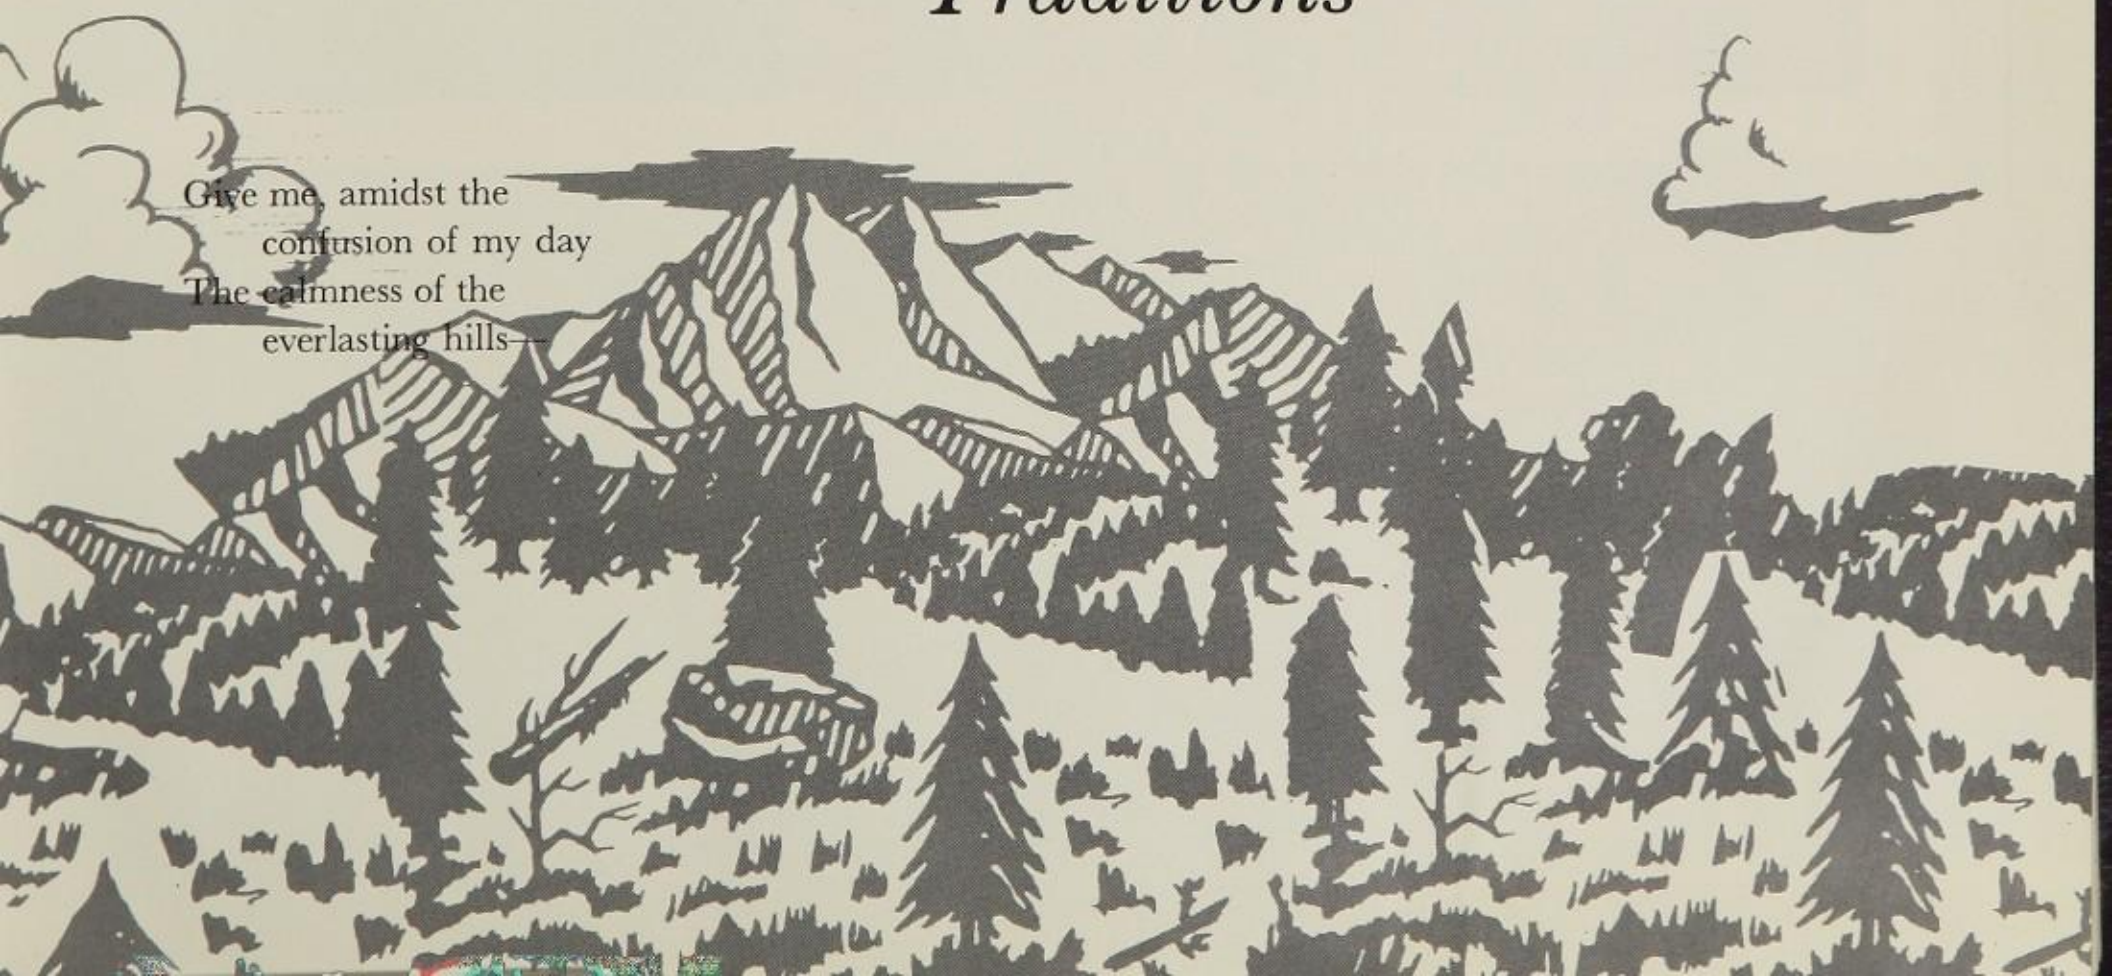

Our ALMA MATER, which has grown more cherished each year, was composed by Reese Marshall, the class poet, and Ernestine McMahan, a talented musician, in 1940.

confusion of my day
The calmness of the
everlasting hills—

ADMINISTRATION

The only way
in which one human
being can properly
attempt to influence
another is to
encourage him to
THINK for himself.

It makes no difference whether a dramatic production is a comedy, a musical, or a tragedy, memorizing and rehearsing are necessary. The preparation may become tiresome, but when the results are a good performance and a feeling of satisfaction for a job well done, it is worth the effort.

October 18 was designated by the Student Council as Homecoming. The activities of the day began in the afternoon with the parade, in which the senior class won first place. Before the game that night, Martha Rogers was crowned the Homecoming Queen of 1963. The most thrilling event of the night was the Smoky Bears' crushing victory over the Knox Central Bobcats.

Boys' and Girls' State

Beta Club

The Beta Club emblem represents the cardinal virtues of life. The "B" (*beta*) stands for *bios* meaning "life," a life guided by the ideals and principles of the Beta Club. The three stars represent the spiritual traits of altruism, honesty, and courage. The eagle is a symbol for loyalty to our country. The ebony background that holds the other symbols is for dignity, seriousness, and restraint. The entire emblem is enclosed in gold signifying the golden bonds of friendship that make life more meaningful. Each Beta Club member strives for perfection in obtaining these ideals.

As a part of the pre-season preparation, our football team with Holston's team had a week of football camp in mid-August. Practice did not slacken after our first win. Under the direction of Head Coach Tom Bass, our returning lettermen and new recruits worked all season in order to be one of the best teams in East Tennessee. A damper was put on the hopes of many opponents when they played our tough defensive team. At the end of the regular season the Bears had eight wins, including a dazzling victory over an old foe Central, two close defeats, and the Knox Interscholastic League championship. The post-season Smoky Bowl win brought our record to nine victories and two defeats for the 1963 season. Our team was well represented on the local honor teams, and for the second time Sevier County High had a player selected as a member of the All-State team. He was Tom Williams, our center-linebacker. Because of the excellent record Mr. Tom Bass achieved during his first year as head coach of Sevier County High, he was chosen to share the title of KIL Coach of the Year by the coaches whose teams are a part of the KIL and was selected by the coaches of East Tennessee as the East Tennessee Coach of the Year.

The Bearettes, considered to be the top team in District Four, have had a good season thus far, winning 14 of 16 games played. Our offensive unit is led by Connie Maples, Phyllis Minton, and Donna Ogle; and our defensive team, by Judy Litton, Karen Whaley, and Cassie Wilson. With the able leadership of Coach Jack McMahan, the Bearettes want to repeat their District and Regional championships and to gain recognition in the State Tournaments.

The 1963-1964 boys' basketball team is becoming one of the best teams that Sevier County High School has had in recent years. Our starting five—Bob Barker, Rob DeLozier, George Owenby, Allen Tansil, and Herbert Owenby, the leading scorer—along with the “shock troops” have maintained a high point average for 12 games and have broken the scoring record of the school and the county. The Bears' present record of eight victories and four defeats, their scoring ability, and the guiding hand of Coach Jack McMahan heighten the boys' hopes for success in the District and the Regional Tournaments.

This year wrestling was added to our sports curriculum in order to give more boys an opportunity to participate in sports. Although wrestling is an old sport, it is the newest sport at Sevier County High School. Because of our excellent coach, Mr. Stafford, and fine equipment, our team is developing into one of the best.

Captain Ken Fortenberry, Coach Pete Stafford.
